

# strandcamping zuidduinen

## **Design requirements for camper van**

**Strandcamping Zuidduinen is located in a water extraction area. To avoid contamination of the groundwater, we are not allowed to allow cars on our camping site. An exception is made for motorhomes.**

**Would you like to camp with us in a motorhome? Then your motorhome must meet the following requirements:**

- **Your vehicle is registered as a motorhome.**
- **Seats and a table are provided in the vehicle. The table may possibly be removed.**
- **There must be a bed. You can make this bed with the help of the seats.**
- **There must be cooking facilities.**
- **There must be possibilities to store things.**

**All these facilities must be fixed in the living area.**
